Cellist self-assessment (Attach extra pages if necessary)

Our goal is to help you get the most from Bach Cello Suites Workshop at your current level of cello proficiency. With that in mind:

1) Please tell us a bit about your cello experience including length of study, whether it is/was with a private teacher(s), as well as the pieces you play that fairly represent your ability. Also, tell us about any orchestral, chamber or ensemble experience you may have. Are you a late-starter? Do you play a baroque cello? If so, tell us.

2) Tell us about your experience, if any, playing the Bach Cello Suites. Let us know if you are a newcomer to the Suites, whether you are studying the Suites with a teacher, can play a few movements from one or more of the Suites, can play one or more of the Suites in its entirety, can play all six of the Suites.

3) What aspects of the Bach Cello Suites would you most like to work on at the Bach Cello Suites Workshop?
